Explore our current range, then speak with a real person.

Product illustrations only. Exact items, specifications and availability are confirmed with your quotation.

Workwear

Everyday workwear, smart uniforms and team clothing, with plain, embroidered and printed options.

General workwear

Jackets, trousers, T-shirts and polos, warmer layers, headwear and base layers.

Office & smart wear

Shirts, blouses, knitwear, chinos and accessories for a coordinated professional appearance.

Hospitality & catering

Service shirts, aprons, tabards and chefswear for front-of-house and kitchen teams.

Sports & activewear

Training clothing, leisure layers and teamwear for adults and juniors.

Footwear

Work boots, safety trainers, wellingtons and service shoes.

Hi-Vis & FR

Visibility garments, flame and arc protective clothing, and disposable coveralls for task-specific enquiries.

Hi-vis waistcoat

A visibility layer to discuss for site access, logistics and other assessed tasks.

Hi-vis trousers

A visibility-led trouser option for roles where lower-body coverage forms part of the required clothing system.

Hi-vis jacket

An outer-layer format for a visibility-led workwear enquiry.

Hi-vis coverall

An all-in-one visibility garment format for a site-specific clothing enquiry.

Flame & arc protective clothing

Specialist garment enquiries for flame, heat, electrical arc and related assessed hazards.

Disposable coveralls & accessories

Single-use clothing formats to compare for contamination-control or protective tasks.

PPE & First Aid

Head, eye, ear and hand protection, plus workplace first-aid kits and refills.

Head protection

Workplace safety helmets selected around the required protection.

Eye protection

Safety glasses, goggles and face-shield options.

Ear protection

Ear defenders and earplugs for noise-related protection requirements.

Hand protection

Handling, cut-protection, chemical-handling and disposable gloves, plus welding gauntlets.

First aid

Workplace first-aid kits and replenishment supplies.

MODERN SUPPLY. TRADITIONAL VALUES.

Start with a conversation.

Personal service, honest advice and a clear next step.

01

Tell us about your team

Share the garments or equipment, quantities, sizes and any company branding you have in mind.

02

Compare suitable options

Discuss the fit, specification, artwork and quotation with our team.

03

Confirm the details together

Agree exact products, pricing, availability and timing before ordering.
